While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Briggs And Stratton 130202 Repair

Briggs and Stratton 5HP engine Model 130202-0500-01 Code 75032507. I received this engine with a Yardman Earthbird tiller from 1975. The engine and tiller had been sitting outside and not running for a number of years. This is my first tear down and rebuild of a small engine. Youtube has been a terrific source of information for this project.
