How to Build Cornhole Boards | The Family Handyman

Hey Hometalk! I'm making a few boards with epoxy and a few without! These are real easy to make with a jig saw. These are great gifts, or to keep for your own kitchen. First, I laid out a pair of walnut slabs and drew a board idea on them with a piece of chalk. These seemed like they'd make a good pair! Then I clamped them down and used my straight draw to get the bark off ...
