Feudal society, Volume 2: Social Classes and Political Organization of the latter set free the elements of the former." 19 Marx examines the resolution of feudal class struggle in Volume 3 of Capital. 2" Viewed from the perspective of Volume 3, an interpretation of Part VIII of Volume 1 emerges that belies Cohen's reading of it. On

**Karl Marx on the transition from feudalism to capitalism**  
Feudalism, also known as the feudal system, was a combination of the legal, economic, military, and cultural customs that flourished in Medieval Europe between the 9th and 15th centuries. Broadly defined, it was a way of structuring society around relationships that were derived from the holding of land in exchange for service or labor.

**Feudalism - Wikipedia**  
The New Feudalism does not, of course, resemble the old feudalism in detail generally; the similarity is essential. Modern socialists have not revived the outward trappings of monasticism, have not established lords of the manor who defend their possessions with sword and shield, and have not permitted a religious hierarchy to rule over a certain area of life.

Chris Smajc - Chris Smajc has coworked a small farm in Somerset, southwest England, for the last fifteen years. Previously, he was a university-based social scientist, working in the Department of Sociology at the University of Surrey and the Department of Anthropology at Goldsmiths College on aspects of social policy, social identities and the environment.

**The Transition from Capitalism to Feudalism - Resilience**  
The economic structure of capitalist society has grown out of the economic structure of feudal society. The dissolution of the latter set free the elements of the former. The immediate producer, the labourer, could only dispose of his own person after he had ceased to be attached to the soil and ceased to be the slave, serf, or bondsman of another.
