AMSCO® Math—Geometry - Perfection Learning

Amsco Geometry was written to provide appropriate materials to help both teacher and student achieve the following objectives of a geometry course: To develop an understanding of geometric relationships in a plane

and in space. To develop an understanding of the meaning and nature of proof.

Amsco Geometry TextBook - Wieser Educational

The geometry proofs are reasonably explained, but the book does not feature a lot of proofs as homework problems. While this guide does not provide much in the way of problem solving techniques, at least it provides answers.
