SECTION 1 Campaign Planning Election campaigns are an important part of the electoral process at every level of government. A campaign helps voters get to know the candidates and informs the public about each party's platform—the party's stand on important issues and the party's general principles.

The federal election cycle ensures that the whole government will not change to new people all at the same time. Federal elections are held every two years for members of Congress. Every house member and one-third of the U.S. senators stand for election at this time. We have a presidential election every four years.
