At a professional level, jurisprudence is the way lawyers and judges reflect on what they do and what their role is within society. This truth is reflected by the way jurisprudence is taught as part of a university educa-tion in the law,where law is considered not merely as a trade to be learned

JURISPRUDENCE: THEORY AND CONTEXT

An understanding of jurisprudence and legal methodology is a crucial step towards achieving a better account of international law in IR theory. But many of the flaws in IR's idea of law stem also from the theoretical foundations of constructivism - the school of thought which engages most frequently with law.
