Multicultural education is also a process whose goals will never be fully realized. Educational equality, like liberty and justice, is an ideal toward which human beings work but never fully attain. Racism, sexism, and discrimination against people with disabilities will exist to some extent no matter how hard we work to eliminate these problems.

Multicultural Education Issues and Perspectives by Banks 2010

Multicultural education is a set of educational strategies developed to assist teachers when responding to the many issues created by the rapidly changing demographics of their students. It provides students with knowledge about the histories, cultures, and contributions of diverse groups; it assumes that the future society is pluralistic.
