OLSAT scores are calculated using your child's percentile rank within his or her current age group among other students being tested this year. Most gifted and talented programs require applicants to score within the top 1-3% to become eligible for admission (among a host of other factors, like total number of available seats), so you'll want to look for a score in the 97th - 99th percentile range if that's why your child is taking the OLSAT test.
