Until relatively recently, tort was one of the areas on Corporate and Business Law that caused candidates the most difficulty. In recent sessions, the tort answers have tended to be stronger, but there is also evidence of some confusion between tort and contract, with negligence-based material frequently arising in answers to contract questions.

Key aspects of the law of contract and the tort of ...

As for damages, in tort law, the measure for damages is not fixed or limited; however, the measure of damages in contract law are determined by the contract that was agreed to by the parties. This means that courts will award damages in a contract case based upon the contract agreed to by the parties, with the intention of restoring the injured party to where they were before the breach occurred.
