This product contains all of the Math Journal prompts from the second grade Houghton-Mifflin Go Math! series (2012 version). I designed the product to be used in a few ways. Each chapter is separated by a cover sheet with a spot for students to write their name. This could be used if making a packe. Subjects: Math.

### **Math Journal Prompts For Second Grade**

Math journals work the same way, except the prompts are about math. Here are a few math journal entries produced by K-4 students in New York City during my demonstration lessons as a math coach. These are students' initial attempts at math journaling (their very first prompts).

### **Everything You Need to Know About Math Journals**

When they are ready to complete a Math Journal, they get their  $\frac{1}{2}$  cut composition notebook and the next Math Journal prompt they have to do and work on it at their desk. When they have completed the math journal, they leave their book opened to the page and they place on a stool next to my desk (see the picture above).
