OpenLibrary is a not for
profit and an open
source website that
allows to get access to
obsolete books from
the internet archive
and even get
information on nearly
any book that has been
written. It is sort of a
Wikipedia that will at

Online Library Teaching From

at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.
